

PRODUCT OVERVIEW

Lanai Lifestyle

The concierge platform behind every exceptional journey.

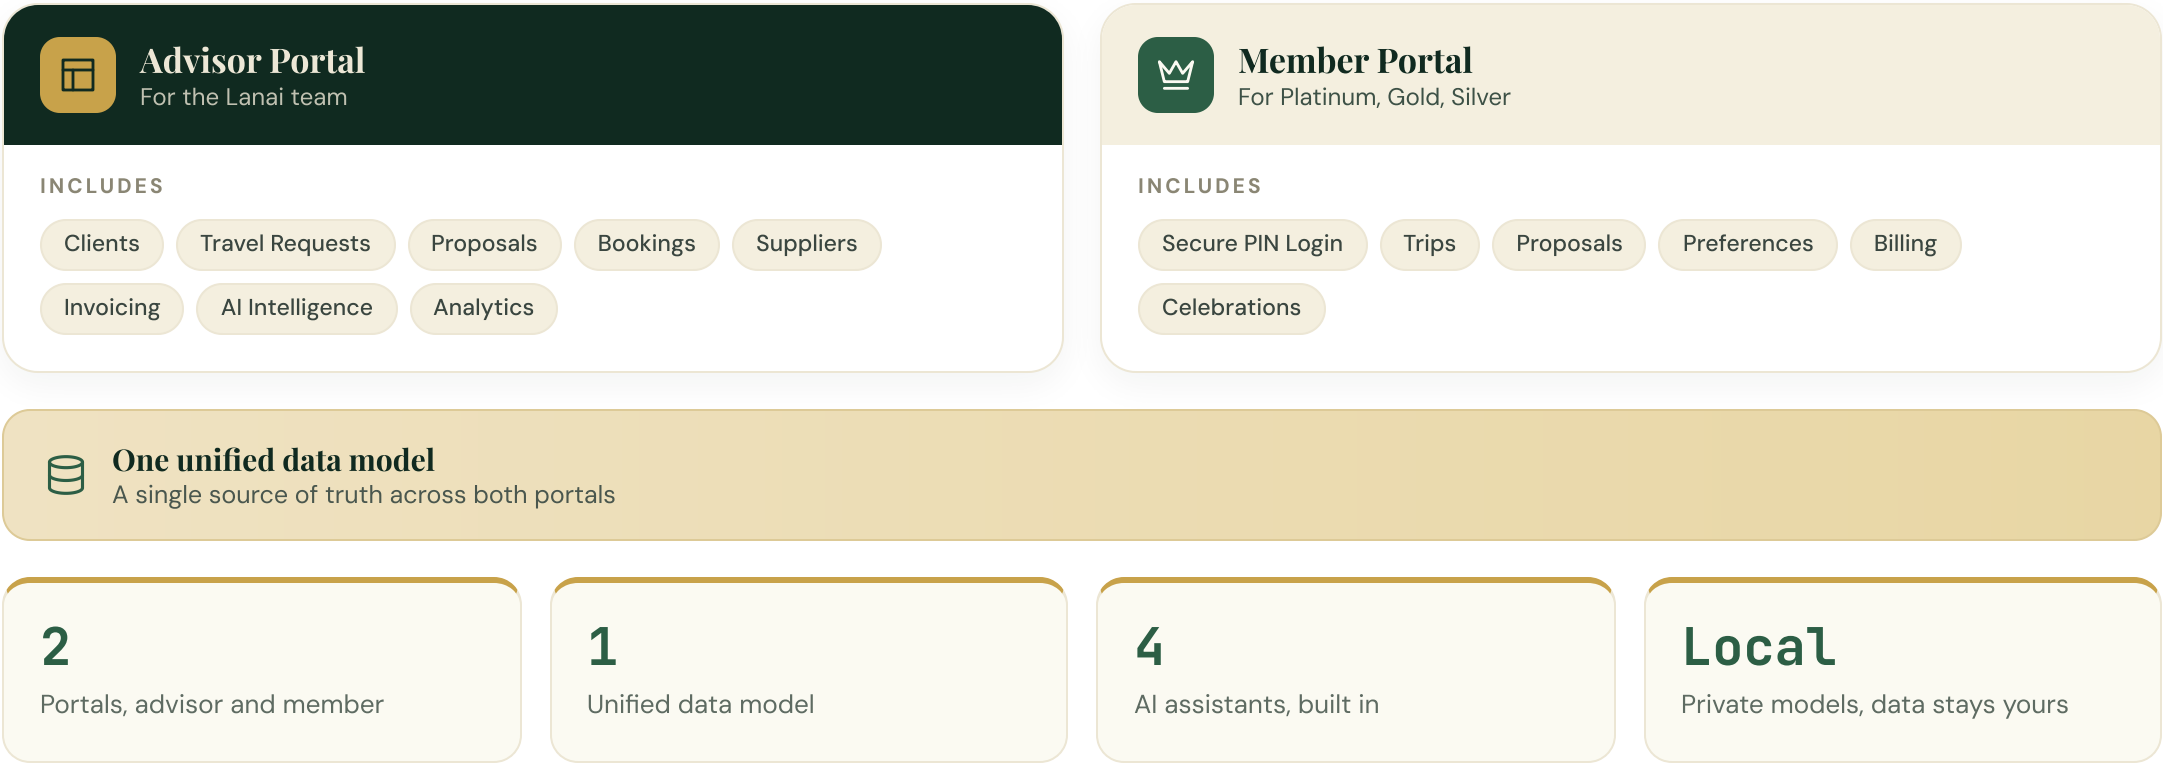

CONFIDENTIAL. PREPARED FOR CLIENT REVIEW.

AT A GLANCE

One platform. Two portals. A single source of truth.

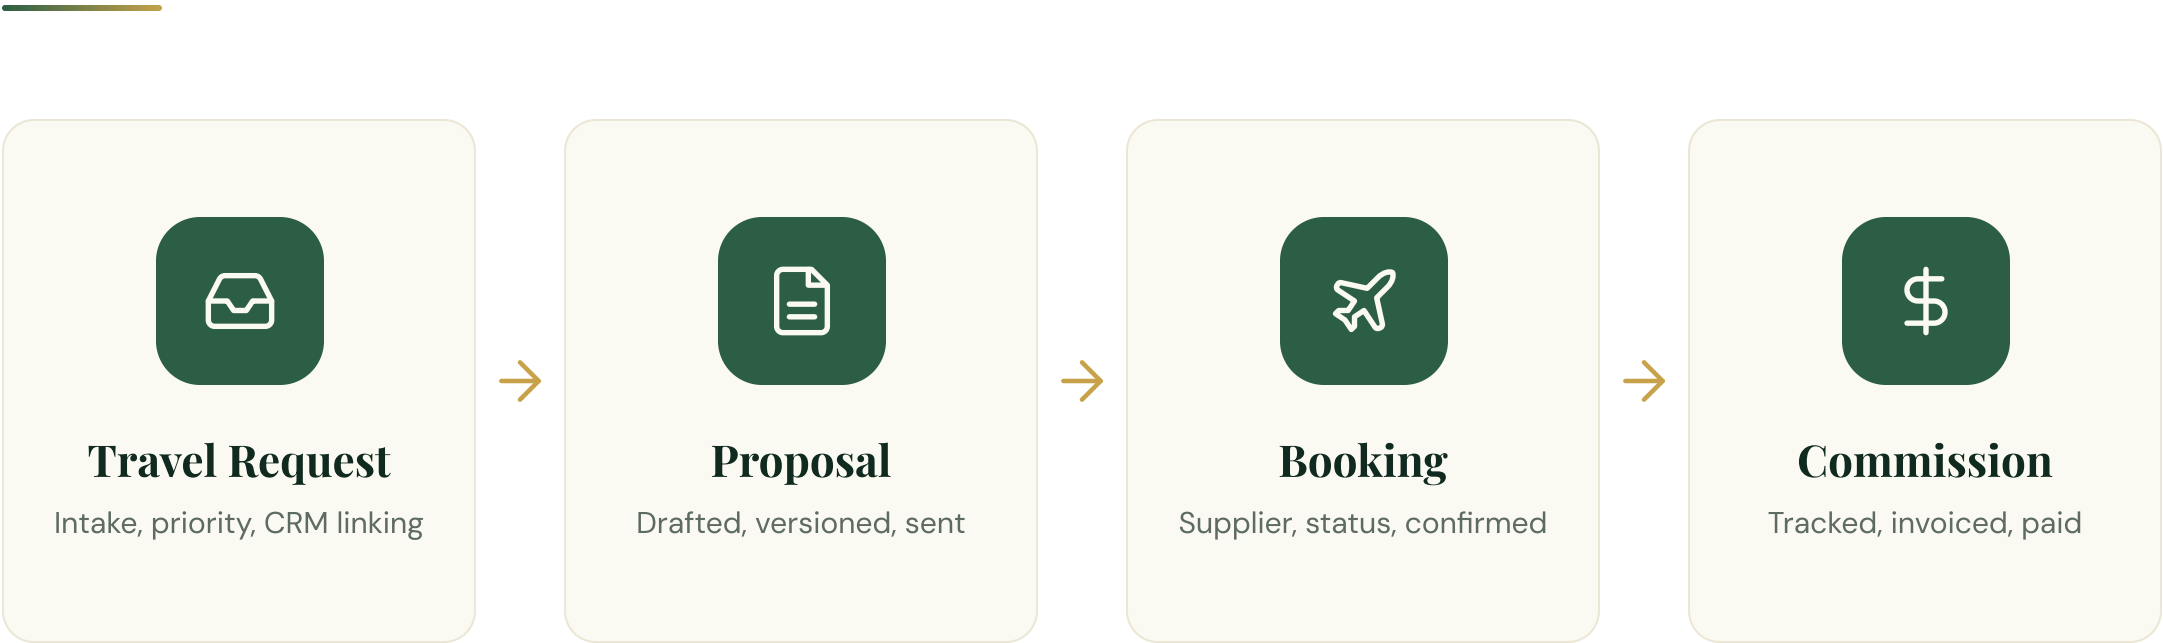

Advisors run the operation. Members get a private digital home. Both work from the same live data.

Every record, from request to invoice, lives in one connected system.

From request to commission, in one continuous flow.

The full concierge lifecycle, tracked end to end.

Suppliers, documents, and invoicing connected throughout.

INTELLIGENCE

AI that works alongside every advisor.

Powered by private local models. Your client data never leaves your infrastructure.

Proposal Engine

Drafts and streams bespoke proposals in seconds, in the Lanai voice.

Client Intelligence

Surfaces churn risk, upsell, and opportunity signals per member.

Morning Briefing

Today's priorities, open requests, and pending bookings.

24/7 Auto-Reply

Triage and instant replies on WhatsApp and email, with human handoff.

Private by design. Local Ollama models. No client data sent to third parties.

A private digital home for every member.

Platinum, Gold, and Silver members log in to a branded portal built for delight.

Secure PIN login

Invited members set a PIN and access a private portal.

Billing and payments

Membership fees and invoices, paid via Stripe.

Trips and proposals

View itineraries and approve proposals in one place.

Celebrations and VIP amenities

Birthdays, anniversaries, and amenity requests, never missed.

Profile and preferences

Airlines, cabin, diet, and bucket list, self-serve.

Platinum

Gold

Silver

A quiet, premium surface that reflects the Lanai brand at every touchpoint.

Plugged into the tools that run the business.

Real integrations and operational tools, not placeholders.

Twenty CRM
CRM of record, two-way sync

Chatwoot
Omnichannel: WhatsApp, email, web
